Dear Parents

This motion was carried at our last PAC meeting to address additional interest in joining the École Christine Morrison Parent Advisory Committee (PAC). It will be removed after 14 days by September 24, 2009. Parental support is very important for the success of our school. Members at large are required to commit to attend executive and general PAC meetings regularly to ensure PAC business can proceed. Voting will take place at the September 24, 2009 PAC meeting.

### **Constitution Change**

**Motion to increase the number of Members at Large (Directors) from 4 to 6 in the written Constitution of École Christine Morrison Elementary School Parents Association and to bring it to a general membership for a vote. Motion made by Kimara Vido, seconded by George Pitcher in the General PAC Meeting held June 18, 2009.**
